Dear Dr Bryant,

My 80<sup>th</sup> birthday has been one of the most exciting times of my entire life. My daughter, Dorothy, took me ziplining in the Canyons north of Ocala. This has been a dream of mine for some time. It was not only emotionally exhilarating but also very physically challenging.

There is no doubt in my mind that six weeks ago, before you began treatment on my neck and shoulder, I would not have been able to complete this wonderful experience. That last 9<sup>th</sup> line — the longest, the highest and the fastest — was truly a test of endurance!

Thank you so much for helping make this 80<sup>th</sup> birthday such a wonderful experience. I owe you and my daughter big time. It truly was the thrill of a life time and I lived to tell the story!
