

My problem was sciatica and lower back pain. Within one to two visits with Dr. Cheryl McFarland Bryant and staff I was confident I could be helped. The results have been wonderful. They are very professional and so knowledgeable on the proper treatment you need to be pain free. I would highly recommend Dr. Cheryl McFarland Bryant for your chiropractic needs.

Susan Duprez

A handwritten signature in cursive script that reads "Susan Duprez". The signature is written in black ink and is positioned below the printed name.
