did to my right shoulder,

But I told my husband -- I'm going to Doctor Cheryl. I don't care if she's not in network. Come to find out -- I'd pay more for out of network, than paying self pay to the Dr. myself.

I've had ^{intake info} X-rays, + a treatment --

given some exercises with a band (?)

Doc gave me a treatment with a

doo hicky that's like a little

jack hammer on my shoulder, underarm,

lower back + spine, I have gone twice

+ will see her Friday. She is AWESOME, + I love + recommend her.
